

CONSENT TO PUBLISH

In order to protect copyright of works published by the Universidad Politécnica de Madrid against unauthorized use, it is necessary consent to publish from contributors. This form is for the purpose of giving such consent. Please sign and return it to the volume editors(s) named below.

Title of contribution: _____

Author(s): _____

Title of Work: Proceedings of the 1st Automatic Assessment of Parkinsonian Speech Workshop

Editor(s): S. Shattuck-Hufnagel & J.I. Godino-Llorente

In consideration for publication of the contribution in this Work, the undersigned Author hereby assigns to the Universidad Politécnica de Madrid the copyright in the said contribution, whereby Universidad Politécnica de Madrid shall have the exclusive right to publish the contribution and/or translation of it throughout the world during the full term of copyright, including renewals and/or extensions, and all subsidiary rights.

The undersigned Author shall, however, retain the right to republish his/her part of the Work in any scholarly/scientific journal or in a volume consisting solely of his/her own writings, subject only to notifying intent to do so and to his/her ensuring that Universidad Politécnica de Madrid is properly credited and that the undersigned Author guarantees that his/her contribution has not been previously published elsewhere, or that any permission necessary to publish it in this Work has been obtained from Universidad Politécnica de Madrid together with the appropriate acknowledgment.
